The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review: I can see your not really installing at the moment and doing more boiler breakdowns. I would like to see you involved with more install training to strengthen your weaknesses. Your technical knowledge though is faultless

Issues Raised: No issues
