The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Ayshe due to your poor attendance it is hard to judge your abilities. When you are in class, you work well and are very pleasant to teach. I know we have been working with you to support and improve your attendance which so far seems to be working well. Keep this going and you will be successful.
