The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

KJ, overall you have done very well this term. Your attendance is great and you always contribute well to class discussions. However, you need put in a little more effort outside of lessons to ensure that you achieve the best

possible grade. Each week you should look through the material on the e-

zone and complete some work towards your assignment.

Review:

KJ continues to make excellent progress in his studies, both in terms of his practical work and also his written assignments. He is polite and helpful, and works to a very good standard. In addition to this KJ's attendance and punctuality figures are excellent. Keep up the good work KJ! Jeremy Shortall.
