The Learner Review Procedure

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:

George, although you have produced some very good work this term because of your low attendance you are now behind with your work. In order to catch up you need log in to yourkeyskills4u.com account and look at calculations to do with time, money, decimals fractions and averages. The work we are doing is not beyond your abilities you just need to be in the classroom and be focused. You also need to complete your targets. I have set you a new target. I would suggest that for the New Year you make a resolution to attend all of your classes.
