The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Complete Mock test for Level 1 ICT and improve Unit 3 and Unit 10 to Merits

You need to be more focused in lessons, as these are precious times to get work marked and completed. Time is flying past and you are not using your

class time to improve your work. So more focus to complete functional skills

and improve your work.
