### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### Review:

Your attendance and punctuality is above the college average. Well done! Please keep this up as you are a role model for the rest of the group.

You are on task with regards to hairdressing skills and course work.

I am happy you feel confident in blowdrying but you know you need further training in styling. I advise you to come into one of the 2<sup>nd</sup> year classes to observe others; this will help you to build confidence.

How - visit the style zone reception and asks for the days of the 2<sup>nd</sup>year classes.
