The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

Yousaf has missed a large amount of college due to personal reasons. His work has always been to a high standard but of late he has not produced assignments on time due to outside of college incidents. He is a highly intelligent student however and capable of acheiving DISTINCTION grades. In order to do this he needs to re-commit himself to ensure he does not fall behind and hinder his attainment.

Review Term: Autumn

Review: Yousaf has made an excellent start to the course and should be proud of his acheivements so far. He displays a good knowledge of both practical sport and its theoretical underpinnings. I fully expect Yousaf to push himself for the rest of the year and to attain a very high grade.
