The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Issues Raised:

Thomas is not conkident in his theoretical ability, however he has a target to gain a merit in the 201 examination in health and safety by march 2012, he has a theory target to achieve the understanding of AC theory by march 2012, this should increase his confidence Paul Webb.
