The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Assesment

Comments:

Prodromakis you are a enquiring learner always asking question in class as well as inthe workshop. It is time to get ready for the electrical lighting wiring assessment which I think you will have no problem with according to the training you are doing at the moment.
