The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Spring

Review: Murat can be fun, ask good question and helpful in class. He was excellent on the trip to the Houses of Parliament. There are times when he losses concentration and gets bored but hopefully he will pass all his units.

Issues Raised: Some behaviour issues in earlier in the year.
