#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### Comments / Reference / Targets

Smart Targets: Rounding: I will select a long supermarket checkout bill and show teacher. I

will round each item to the nearest pound and total them all by 16 Jan.

Godlives has excellent attendance and puntuality and works well in class. She

scored 26% in her E3 F-Maths test in Nov. 2011 due to language complexity

and will sit E3 SPD Numeracy in June.

1. Improve attendance.

Smart Targets: 2. Complete outstanding work on e-zone.

3. Practice weekly spelling lists.

Godlives has recently missed numerous ICT lessons, and must improve her

attendance in order to progress academically. She must practice her weekly spelling lists and attend every lesson in order to be able to catch up with her

peers.

## **Tutor Review**

#### **Comments / Reference / Targets**

Review Term: Autumn

Review: Godlives has been working quite well this term but seems to have lost focus a bit recently and isn't participating as much as she used to. If this improves, she should have no problem in passing the Speaking and Listening exam.

Issues Raised: Godlives' attendance isn't good enough. This needs to improve.
