#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:
Well Done Jachin, you have had a very good start to this year. You have settled in nicely to your group and the course, I could only ask that you keep up the good work and behaviour.

Review Term: Autumn
Review:
Students have been working on identifying different forms of writing, purpose, intended audience, using formal language, identifying facts & opinions, layout of formal/informal letters, sequencing ideas, reading strategies, spelling strategies, punctuation, types of texts and group discussions.
Jachin is a very able student who can produce quality work when he is focused. He needs to consistently concentrate on his class work during lessons and avoid distractions.
He understands the layout and language to use for different writing activities. However, we'll do more work on spelling, plural and proofreading.

#### Review:

Jachin, throughout your time at college you have had a very sluggish approach towards learning. However you behaviour in class is always very good, when you're not trying to use your mobile.

At present you have the following assignment to complete:

. 2.2

Please ensure you complete your outstanding assignments as a priority; however you must ensure that you leave yourself enough time to complete 5.1 to ensure that you do not fall behind.

Remember to progress to level 3 you have achieved the following:

- · Achieve a Merit overall on your BTEC course
- · Have your attendance and punctually at 90% or above
- · Pass your functional Skills assessments
- · Have a good attitude towards learning
