#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Remy, I am worried that you are so behind with my unit that unless you atart now, will find it overwhelming comer the end of the year. It may be a solution to complete the diploma instead of extended diploma. Lets dicuss at our next one to one.

Comments:

Remyce has very poor attendance and punctuality, she has missed sessions and continues to arrive late. I am very worried about her progress as this is a challenging unit that requires full attendance to ensure the best grades are achieved. Remyce missed most of her deadlines last academic year which resulted to her not achieving the grades she was capable of, I do not want to see this happen this year as it is crucial she works to her full potential to generate more skills for work or university. Remyce is talented and is very creative, unfortunately her attendance lets her down.
