#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Assessment

Comments:

James you are a very concentrated worker, proving that when you work too fast the quality may suffer.

However you could see the quality which you later improved to a good standard, well done.

Access to Building Services Engineering Access to Building Services Engineering L1 GpB - Tutorial unit	90% (5)	98% (9)

#### Comments / Reference / Targets

Keep taking your notes which you will need so much to help you with the Unit

103 on-line exam which i am entering your group to sit just before the

christmas break.

You seem to have settled well into the group. You are getting on very well with theory. You are getting on very well with your practical work. You are

doing quite well with your attendance and punctuality in every session but you

do need to improve your attendance in FS Maths. Well done, keep up the

good work.

Gary Waldon.
