#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### **Comments / Reference / Targets**

To complete her GH4 semi colour

Smart Targets: To revise for her G3 exam

To be more motivated in her practicals.

Lauren is progressing well in her subject areas, and is passing her exams successfully. At present Lauren is confused about what subject area she wants to go into. If Lauren wants to go into hairdressing she will need to up her practical skills, attendance and punctuality to classes. I find she looses motivation very quickly and does not try hard enought to practice some aspects of her practical and will give up too quickly. Hairdressing is a learning curve and you will continue learning all the way through your career and she

has to accept this if this is her chosen path.

#### **Comments / Reference / Targets**

Review Term: Autumn/Spring/Summer

Review:

Working at a steady pace this term.

Practical assessments actioned and on-going for all units.

To work on practical assessments as per action plans in portfolios (GH1, GH2, G20, GH4) with the view of completion in May.

Issues Raised: Attendance to FS she will need to improve this as she is doing L1 and the work and practice must be put in to improve.
