- 91% to 87% is amber status
- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Hanna's attendance is far below the acceptable rate of attendance. Not much has been achieved in terms of the work done. She has applied herselt to the topics she has carried out: using estimation to check accuracy of answers, using and applying ratio and percentage in problem solving situation. She needs to to take control of her studies. attending regularly and carrying out any work given so as to achieve at level 1 functional skills maths.
