The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

They have learnt how to use green screen and new techniques in Final Cut Pro, as well as improving their research skills and understanding of the media sector. All students are working on a final major project in different format that will be completed in Term 3.

Comments:

You must try harder to arrive on time to lessons and show more motivation. Additionally you must submit all outstanding/completed work before the Esater break.
