The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Huseyin I am informed that the maths lessons at times is where you loose concentration, I want to see some behaviour improvement reports from the maths teacher saying you are getting the work done quietly. Tony Antoniou.

Review Term: Spring

Review: Husseyin is not performing upto standard and has given every lecturer great cause for concern. He needs to concentrate in class and get on with his own learning.
