# The College of Haringey, Enfield and North East London

# **Learner Review**

11 January 2012

Learner: Ifakat Bal

**Personal Tutor: Julia Woolley** 

# **Key to Attendance and Punctuality percentages**

- 100% to 92% is green status
- 91% to 87% is amber status
- 86% and below is red status

#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Addition, subtraction and Rounding

Comments:

Interpret word problems on addition and subtraction to use appropriate method

suitable for the intended situations (5 weeks).

Round values (2, 3 and 4 digits) to the nearest 10s and 100s. (4 weeks)

Ifakat needs more practice on all topics and should attend extra maths support lessons regularly.

Comments:

Ifakat is finding course difficult. She has many challanges with following any instructions and not understanding work at this level. She has writing skills but does not use them in class to write notes and always has to be prompted to do this. She does not use these in task writing. All work has been handed in late. when discussed with her she does not understand what she is writing about. She does not use the inclass support and chooses to sit away from help at times.

**Smart Targets:** 

Ifakat, when you focus and concentrate you are able to understand and produce some good work. Furthermore, in order to achieve and be successful you need to develop your organisational and time management skills. Ifakat, you have demonstrated that you understand basic spelling and grammar and now you need to use this knowledge in your written tasks. Keep working hard!

Julia Woolley.

#### Issues Raised:

Ifakat is working towards Entry 2 qualification in functional maths. Although she is capable of achieving good grades in the subject, Ifakat is not fully using the facilities and extra support offered to her. In order to achieve passing grades in maths, she must attend all extra support sessions regularly and complete the tasks on time. David Augustine.
