The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Help from a Mentor

This year 520 of you have used the mentoring service and 38 experienced and skilled students have trained as mentors.

Mentoring can provide an extra bit of help to succeed on your course. When you register you will get a specific mentor who is studying in the same vocational area as you. You will agree a period to get help: usually this is for 6 weeks at first and may be a 1 hour session a week. You would be likely to meet your mentor in a small group.

The mentor can't do your assignments or give you answers to assessed questions but they can help with getting the structure of your essay right, developing research methods, showing you how to tackle a problem and give advice on planning time for studying.

For more information on how to get support with your coursework, call the HUB at Enfield on

020 8443 3434/Extn: 2675 or the Mentoring Centre at Tottenham on 0208 442 3753.

Marteena we will be starting the colouring unit this week, you will need to

apply temporary, semi and quasi colour using full head application technique

by the 11th January using all health and safety procedures required by

Manufacturers instructions and salon policy.

You have worked really hard on the cutting unit completing the one length, the long graduation, the uniform layer and the short graduation. Make sure your angles are correct before cutting, you also need to be more confident when

cutting and you also need to concentrate more less chatting and you wont

forget where you are with your cuts.
