Review Term: Autumn/Spring/Summer Review: Daniel, you are working extremely well in the functional skills lessons and I am very impressed with your attitude and participation in the lessons. If you find some of the language used during the lesson hard to understand please do not hesitate to ask for more confirmation. You are progressing very well and look forward to a similar level of participation and activity in the 2012 upto your Functional skills exams in May 2012. Issues Raised: John Nosworthy.

Review:

Daniel your attendance is good but you need to work on your punctuality to attend classes on time. Your attitude once in the classroom and workshop is very good but is seems you are still struggling with some of the work you have to do. If you need help let us know so we can ensure you are progressing to complete your work which will allow a suitable starting point to progress onto next years courses.
