- 91% to 87% is amber status
- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Subject Targets

Comments / Reference / Targets

1. Bring a sports kit to the Friday sport session on Friday.

Smart Targets: 2. Contribute at least twice to class disscussion during the step up session.

3. Check the criteria of the Step Up units before starting a new one.

Seyi is a keen and able learner. She is progressing well with her work despite starting the course late. I am pleased about this but I would like Seyi to take take her time to complete her work so not to miss meeting any vital criteria.

Issues Raised:

The class has been studying ICT Functional Skills at Level 1. So far, the following have been covered: locating and evaluating appropriate information, selecting appropriate software, presenting information in ways that are fit for purpose and audience, entering and editing data.

Oluwaseyiis an excellent hardworking student who displays a very positive attitude towards her studies. She has produced some very good work and is well on target to a achieve a qualification at this level.

Well done Oluwaseyi and keep up the good work! Vincent Keys.
