The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Review Term: Autumn

Review: Izabella has made a good start on the course and is happy and settled, coursework is up to date.

Issues Raised: Sometimes Izabella needs to attend hospital appointments.

Jeannie Buchanan.

Review Term: Autumn/Spring/Summer

Review: There is no substitute to attending lessons and learning from experienced subject tutors and sharing experiences with your peers. I want you to try your very best to attend as much as you can because I know that you will reap the rewards from being here.

Issues Raised:

Jeannie Buchanan.

Review Term: Autumn/Spring

Review: A mixed review from me, I like teaching you Izabella because you are enthusiastic and skillful. Your application is good and you research well.

Issues Raised: Health problems affect your attendance and this is causing problems on a course that relies heavily on the acquiring and developing of new skills. You need more teaching than you think you do and the feedback for your assignments confirms this.

Jeannie Buchanan.
