The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Tezta has worked really hard this term. Well done! She has a caring nature and is a quiet member of the group. She has grasped the techniques and has learnt new skills this term. Tezta needs to practice these routines at home to develop her confidence especially in her facials. I would like Tezta to practice at home what she has learnt in her practial classes so that she can gain confidence in her skills and is ready to work on clients for next term. I would like Tezta to be a little more focussed in the beginning of her practical class and to aim to set up for her practical lessons on time. Tezta has a good attendance record. Well done!

Review Term: Autumn/

Review: Tezta, you are progressing very well within your course, you have met all your targets and your beauty lecturers are also very pleased with your progression and achievement.

Issues Raised: For this term, I would like you to pay more attention on your practical and improve your professionalism as we are going to be dealing with clients.

- 1. you can do that by timing yourself when preparing
- 2. ensure all your tools are placed neatly on your station
- 3. do not waste time talking

I will be reviewing your progression in 6 weeks
