The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Nicola is a very focussed member of the group. She takes great pride in her work and always works in a professional manner which is a credit to her in her chosen industry. Nicola has worked well this term and is up to date in her skills and knowledge needed for the level she is at. Nicola is a good role model for her group . She demonstrates this in her professional approach, working to high standards. Nicola would benefit further by ensuring she has all jewellery removed before the start of her practical class. Nicola has very good attendance and is always on times for her practical class. Well done Nicola!
