The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Your attendance and punctuality is at 83% you need to try to make your appointments outside of college time.

The college target is 87% you are 4% from the target and I know that you can meet the target and above with ease.

Issues Raised:

I would advise you if you would like to build more confidence in hairdressing skills you have the opportunity to come into the 2nd year classes for observation.

Excellent you have applied for level 3 hairdressing my advice to you is to use the drop in sessions or mentoring to help you to consolidate your hairdressing knowledge
