#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

sit just before the christmas break.

You seem to have settled well into the group. You are carrying on where you

left off with me last year. You are getting on very well with theory. I also have no problem with your practical work, you are getting on very well with it. Well

done, keep up the good work.
