The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Chrissy, well done on the work produced so far for this unit, especially working through Photoshop. The pace of your work is still a problem.

Comments:

Remember the ideas are sometimes more important than the finished piece, so it is very important to research thoroughly visual images that will aid you with your ideas.
