The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review: Nadia is proving to be an exceptional student. Whilst I was initially concerned about her attitude and attendace she has put aside distractions and started to display her excellent knowledge levels. She works hard in all sessions, contributes in class and helps other learners when neccesary. I am sure that with this attitude she will acheive a very good grade indeed.
