The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review: you have been a good attendee not missing one session. My concern at the moment has to be your involvement in training or should i say lack of it. This is level 3 and you need to remember your very lucky to be on this course, there are very few colleges within the London area doing plumbing at this level.

Issues Raised: more involvement/ hands on.
