Review Term: Autumn/Spring/Summer

Review: Jordan you have produced some good work this term but I don't think you are showing all you are capable of. I believe that if you really put your mind to it you can produce even better work. Maybe a change of "friendships" in the classroom will do you good and help your concentration. Try it for the New Year.

Issues Raised:

Review Term: Spring

Review: Jordan, You are progressing well in your subjects and there are no problems with your attendance or punctuality. Please think about the advice given to help you improve in your practical sessions. Keep up the good work.

Issues Raised: Try not to get involved with the disruptive learners in the classroom sessions as it could spoil your good record.
