The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: improve punctuality, keep revising the 204 unit, take 204 exam after half term

Cartell is an excellent student, he's doing well with the unit 204; shampoo and

condition hair and he's always completing he activities/homework.

Comments:

Cartell was late couple of times but i'm sure he will improve that as he's a very

dedicated young man who knows what's best.
