The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Unit 30 Task 1 CG1

To improve your grade from a P to a M or D, write a report outlining the following (10th November 2011)

Smart Targets:

- Not just describe and explain/justify all points (...because...)
- Explanations of connotations and how they relate to the target audience
- Explanation on technical execution (choice of location/music, camera movement etc...)
- for D we need to see:
- comparison between adverts (most and least successful)
- · Critical analysis of ethical issues if any?

This term the students have been analysing TV advertisements in great details in order to produce and edit their own advert in the second half of Term 1. The students also had to pitch their idea to their teacher and peers.

Comments:

Godfrey is a very pleasant learner who shows a lot of confidence in class presentations but who needs to displays more enthusiasm when working with others. Godfrey is very respectful of his peers and members of staff. Godfrey is capable is more than capable of achieving the highest grades.

Smart Targets:

Improve classroom work ethic by doing more work in class rather than taking it all home and giving yourself too much homework! You need to relax more at home because you have a busy schedule juggling work and college.

The Level 3 Creative and Media Diploma is designed to provide learners with a wide variety of practical and theoretical skills in the Film and Video Production Industries, Print-Based Media Industries and Interactive Media Industries, whilst enhance learners with theoretical knowledge relating to job roles and career paths in the creative media industries.

Comments:

Godfrey's attendance is good but his punctuality is very poor. In Godfrey's Print-Based Media sessions he had to research what the magazine industries are about and how they research into target audiences for their products. Godfrey then had to produce his own research and make a magazine cover based on this. Godfrey has done extremely well in this unit and his sketchbook was very well presented and demonstrates good knowledge of the print-based media industries. Unfortunately, Godfrey lost his sketchbook and this means he has had to re-do some of his work. Please don't let this demotivate you as you will still be able to get at least a merit grade if you evaluate your magazine cover appropriately.
