The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Review Term: Autumn/Spring/Summer

Review:

Stoney is a very mature student who has had to overcome a lot of obstacles to enable her to come to college, unfortunately her attendance is so poor that unless she addresses this immediately she will find herself with too much to do in a short period of time.

Issues Raised:

Improve attendance and punctuality, discuss measures required to ensure success.
