The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Unit 22 and Maths

Berfin's attendance and punctuaity is good and she has submitted her first assignment for unit 22 (yet to be marked). She gets distracted very easily and sometimes doesn't pay enough attention during the lesson. She is doing well with maths but her situation is not clear. She wants to do GCSE maths but she hasn't got a place at the moment. She needs to stop talking during the lesson and pay more attention. She needs to finalise the GCSE maths

situation. Berfin has the potential to achieve a high grade for both unit 22 and

also maths.
