The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review: Huseyin is a enthusiastic young man who is completing the work. He clearly enjoys asking question and I thought really enjoyed the Houses of Parliament visit.

Issues Raised: Keep focused on the work set
