The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Smart Targets: Less talking in class as you are distracting others and allowing others to

distract you.

Nana's attendance and punctuality is excellent. Nana is a bright creative

individual and this is reflected during practical work. However, Nana needs to

improve her written work as this is affecting her grades.

Sherine George.
