The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Attendance 80.85%

Punctuality 97.37%

We have discussed your attendance which is related to your hamily issues. We also agreed ways to improve your attendance and hope to see an improvement to a minimum of 87% by the end of February.

Speaking and listening-you are confident and able to express yourself clearly. You need to improve your listening for detailed information in listening activities. You could listen to the news and identify the key points.

Reading - In the last mock test you scored 63% and this would be below pass. Please check the answers wit a classmate. You need to develop reading skills to extract the main points and ideas.

Writing - you are confident and your writing is inproving, you need to proof read and check your work for spelling and grammar before submitting.

Issues Raised: Attendance to improve to a minimum of 87%

Review:

Attendance 81.25%

Punctuality 98.6%

Huliya's attendance is not very good and needs to improve to at least 87% minimum.

Huliya is a very good student who is very able and gets on well with all learners and teachers alike. She is mature for her age and works well on her own and with others.

Her level of reading, writing, speaking and listening are all good.

She is an able student who picks new up things quickly and wantstouse new vocabulary in her speaking

She needs to work on his spelling, use of tenses and punctuation in order to improve her writing.

Huliya has completed 3 units in EDEXCEL Workskills and she will now need to work hard in all her lessons to complete all of the Edexcel Personal & Social Development Units within the deadline. I am confident that with continued effort he will have no difficulty to pass the Entry Speaking and Listening exams in April.
