The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Smart Targets: Refer to task handouts to ensure you cover all merit and distinction criteria.

Negins attendance and punctuality is good but could be better. Negin works extremely hard to meet deadlines and produce work to a very good technical standard. Negin is achieving merit grades for all her current units and could achieve higher if she attends all lessons, makes appropriate notes, continue to meet deadlines and uses task handouts to ensure she hits the higher

criteria.

Sherine George.
