The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Emma you have made an excellent start in this unit and have demonstrated a high skill level in a wide range of materials. I particularly like your print/textile studies and you printed paper weaving. Start collecting papers and use them creatively all of the time, you are good at it! I am looking forward to seeing what you do next. You can work at home in any media you wish and explore its full potential, use the internet to further research MTP's.
