The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Learner has not attended enough to comment on progress!

Learner is seriously at risk of not passing course unless attendance improves dramatically.

Areas for development:

- 1. Cutting
- 2. Colouring

learners have been working on unit G20 health and safety, they understand and are aware of all the health and safety legislations and acts. they are able to follow them and put into practice what they have learnt in the salon.

Lina needs to improve her attendance for theory and practical, she is falling behind and is finding it hard to understanding. For Lina to complete this course she needs to be more focused.

My advise and target for Lina is to turn up for each lesson and less chatting and more work. Lina needs to complete tasks set so she can more on to the next activity.

Comments:

You are at the final stages of your chosen course in hairdressing, at this stage you only have a minimal number of outcomes to be achieved. As the New Year has approached us your academic year will end before you know it, so I strongly advise you to think SMART by

Sending out broadcasts tweets to your family and extended friends to be models for you or your pears to gain assessments

Approach people on your everyday travels with your specific needs

Enquire at the style zone for additional sessions for maximum assessment opportunity

Book your reception duties ASAP so the unit can be signed off

Use city and guilds revision tasks when preparing for exams in order for maximum results

Arising

If you are considering in progressing onto level 3 hairdressing or any other course in the college you are required to adhere to the colleges minimum target grade of 87% attendance, so my advice to you is to attend every session if you would like to see yourself enrolled on a course in September 2012!

Review Term: Autumn

Review:

Learner needs to improve her attendance in order to pass her units!

Lina is a late starter and is at risk of failing at her chosen course!

Lina has been put on report for 3 weeks to monitor her attendance; if this has not been improved then she will go onto stage 3 disciplinary.

Issues Raised: Attendance.

Lina needs to improve on her attendance in all lessons to achieve her qualification. Lina is a capable student with good hairdressing skills when she puts her mind to it. She lacks in confidence and this we need to work on. You are doing well.smile
