The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

- Attend classes and inform personal tutor of any absence or lateness
- Submit TASK 1 (unit 16) by Monday 7th November
- Join production group next week to discuss ideas and start production work

This term the students have been learning about the principles and development of editing. In order to demonstrate their understanding of the topic, the students had to submit a report which constitutes the first task for Unit 16. Unit 16: Film and Video Editing techniques is taught in conjunction with Unit 4: Creative Media Production Management Project. In order to pass both units the students have to generate ideas for a trailer, go into production and finally individually edit their work.

Comments:

Sade has been missing classes and is therefore behind on her work. Despite a slow and difficult start this term, I have no doubt that Sade can achieve well on the course.
