The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

To action plan herself more for her practicals

Smart Targets: To look at her log book more often and check what she will need to complete

To bring in clients to complete her Colouring/treatment and blowdrying units.

Tanya is progressing in her course, however her lack of motivation and

lateness is affecting her achievement. Tanya must continue to practice to get better and not give up as soon as she is bored. She is very capable learner

but needs to get into being a hairdressser mode.I.E attend regularly,be on

time and practice.
