As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

To research and look to participate in a sport of your choice for the next set of

assignments due.

I am pleased with Kamran's contribution in class. He does occasionally get

Comments: distracted but he generally works hard which is very pleasing. He does

however speak his mind far too often and distracts others. I would like to see

this stop.

## **Tutor Review**

#### **Comments / Reference / Targets**

Review Term: Autumn

Review: 1st review

Issues Raised: Some behaviour issues which are getting better

Kamran is an enthusiastic young man asking questions in class and engaging with his fellow students. He needs to avoid laughing at others but he does contribute in class. He seems to be able to cope with the work involved which is good.

Kamran needs to keep up the good work and avoid interrupting others or the teacher if someone is talking. Apart from that his punctuality and attendance is 1st class. This is a real positive for which he should be congratulated. Well done.wink

Jo Edmonds.

Review Term: Spring

Review: Kamran can achieve much on this course and has achieved some solid passes. He needs to think before he speaks and avoid upsetting others. Check your behaviour all the time.
