The Learner Review Procedure

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Punctuality 96%

Well done on your attendance and punctuality.

Also well done on most of your work so far. There are some corrections to be made to improve assignments and also some unfinished tasks.

In order to finally complete all your work you need to work a bit on last U 3 assignment and to make the corrections to U 10 assignments. These to be done by the end of this month.

Also remember to complete all corrections to U 2 assignment to improve for Ms and Ds.
