The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Smart Targets: To work with a different learner every week

Comments:

Alexander attendance and punctuality is improving. Alexander when he is in class he works hard and is able to follow the instructions independently. He is a very able learner compare to the rest of the group, he is able to finish his work quickly and he needs to be kept busy for the whole lesson. Overall he is doing is best. smile
