The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Personal Targets

Area of Development:	Practical performance	Derek Munro Date Set: 16 January 2012 Deadline: 16 January 2012
S.M.A.R.T. Target:	You are working well in theory and need to continue with plenty of home study. In practical it is great how you turn up to every extra session and you are showing improvement in your work. You still however spend a lot of time on the thought process. On your next task try to spend less time on your lists and just trust yourself to get on with the task. This will help your confidence grow and speed you up.	Deadinie. 10 January 2012
