#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Keep taking your notes which you will need so much to help you with the Unit

103 on-line exam which i am entering your group to sit just before the

Christmas break.

Though you had a poor start to the course with attendance and punctuality Comments:

you now are a regular attender. You are getting stuck in with your theory and

your practical work. Well done and keep up the good work.
