## The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: pass unit 2 by the end of January

You have not yet passed this unit. Zunaira you need to read the assignment feedback sheet and complete the required tasks within the next two weeks.

Comments: You have started the unit well but have not continued to make progress and

this is of great concern to me. Some elements within your assignment are

very good and you have the skills required to achieve a merit.

Review Term: Autumn/Spring/Summer

Review: Well done Zunaira this is a very good report for your first term at college.

Issues Raised: evaluation

Jeannie Buchanan.

Review Term: Autumn/Spring

Review: Zunaira you started well and the work that you completed early on the course reflected this. You had a bout of illness and have found it difficult to apply yourself since. You still need to complete work for two of your finished units. More importantly we need to address why you attendance and motivation is falling and find a way to support you and re motivate a promising student!

Issues Raised: Falling attendance and poor motivation.
