#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Autumn The E2E programme is designed to provide service users with the opportunity to experience the widest ranges of skills in Construction as well as helping them to build up their English communications skills.

In Tutorials we have covered the importance of setting and adhering to the learners' own rules as well as college rules, respect for each other, for staff and one another's work within the framework of anti-bullying policy.

Emrah, you are a well behaved member of the class you attend and you produce the work required of you in class to a decent standard.

Lauren Maloney.

Review Term: Autumn/Spring/Summer

Review: Emrah has settled into the group and has shown good use of hand skills in the workshop, he has completed 3 training tasks and shows good awareness of H&S. In theory he has nearly completed Unit CC1001K and will sit the online end of unit questions in the next couple of weeks
